Unit 0: Safety and Scientific Processes
Unit 1: Biomolecules
Unit 2:
Cell Structure & Function
Unit 5
The Cell Cycle

RNA polymerase unzips the DNA and puts RNA nucleotides into place

I wish I were DNA helicase
So I could unzip your genes
Unit 6
Protein Synthesis

**Transcription**

DNA

ATGCTAGGCC

UACGAU

mRNA

GCU

ribo nucleotides

RNA polymerase unzips the DNA and puts RNA nucleotides into place

I WISH I WERE DNA HELICASE

SO I COULD UNZIP YOUR GENES
Unit 7
Genetics
Natural selection, in a nutshell:

Yum! Green beetles! Our favorite!

Unit 8
Evolution

sometimes, evolution sucks
Unit 9
Classification

Tursiops truncatus
Primary, secondary, and custom antibodies seeking binding relationships.

Find your match.
SEASONAL ALLERGIES ARE YOUR BODY TELLING YOU THAT IT IS UNCOMFORTABLE WITH PLANTS HAVING SEX NEAR YOU.

I ❤️ Plants

Unit 11

Plants

Parts of a Flower

- pollen tube
- stamen
  - anther
  - filament
- petal
- ovule
- receptacle
- sepal
- pedicel
- style
- pistil
- ovary
Unit 12 & 13
Ecology & Ecosystems
Unit 14
Body Systems
